If you have ever felt compelled to give back to your community, volunteering for Circle of Life Hospice might be the unique gift you have to offer. Our program will be accepting new volunteers for the two-part training session scheduled as follows:

March 10th 2012, Saturday 9:00-4:30

March 17th 2012, Saturday 9:00-4:30

The training is comprehensive, thus requiring attendance on both days. You will meet members of our inter-disciplinary team as they share their expertise in their specific field, view films relative to hospice and learn the essential duties and responsibilities of a Circle of Life Hospice volunteer.

If you feel this work speaks to you, please give Fran Ulm, Volunteer Coordinator, a call at 775-827-2298 for additional information.
